

## **Punch Card Program**

Pheasant Country Golf Course would like to introduce a Punch Card opportunity. The unique punch card program offers several advantages for golfers who want flexibility and cost savings. Our tiered program lets players choose their individual commitment level. Here are some key benefits:

### **1. Flexibility and Convenience:**

- a. No long-term commitment. Play as you wish without obligations.
- b. Use it at your own pace. Punches can be used any time during the season, providing flexibility in scheduling rounds.

### **2. Cost Savings:**

- a. Offers discounted rounds by purchasing prebuilt multiple 6, 10, & 20 round cards, at a per round reduced price compared to the standard rate.

### **3. Accessibility:**

- a. Affordable to various budgets. Golf is now more accessible to casual players.
- b. Offers a trial period for those new to the course.

### **4. No Additional Charges:**

- a. Punch cards do not require additional fees.
- b. Each punch covers the green fee and golf car seat up to 18 holes per single player.
- c. The cost is straightforward – pay for the number of rounds you want upfront.

### **5. Sharing Options:**

- a. Transferable among family & friends, allowing multiple people to benefit from the purchase.

### **6. No Pressure to Play Frequently:**

- a. No pressure to use all rounds in one season. Punches are valid until punched out.

Overall, our punch card program is ideal for casual golfers or those who want to enjoy golf without a full-blown commitment. It provides flexibility, cost savings, and accessibility to the course without long-term obligations.
