

Dear Valued Patrons,

I hope this message finds you in good spirits and eager anticipation. After a significant period of planning, renovation, and heartfelt dedication, we are thrilled to announce the impending reopening of Pheasant Country Golf Course, now poised to offer an unparalleled golfing experience right here in South Heart, North Dakota. Our doors are set to welcome you back to what feels like a brand-new course, yet with the familiar essence that many have cherished over the years.

With optimism, we target June 1, 2024 for our official reopening. The exact date remains weather-dependent and will be confirmed as we ensure the course conditions are perfect for your return. Your patience and support during this time mean everything to us.

Our commitment to enhancing your time on the greens has been the guiding star of this extensive, two-year renovation project. The course enhancements have been meticulously planned with a focus on playability, ensuring an enjoyable yet challenging game for golfers at all skill levels. Every tweak and transformation has been made with our members' experience in mind, aiming to provide not just a round of golf, but a memorable journey every time you visit.

This isn't just a reopening; it's a celebration of the sport we love, the community we've built, and the future we envision. Whether you're a seasoned member or new to our golfing family, your presence will mark the beginning of this exciting new chapter at Pheasant Country Golf Course.

As we prepare to open our gates, we extend a heartfelt invitation to you, our valued members, to join us in reigniting the passion for golf in North Dakota's newest course. Your feedback, enthusiasm, and support have been indispensable through this journey of transformation, and we eagerly await the opportunity to share the fruits of this labor with you.

The upcoming weeks are critical for the course and will determine if June 1, 2024 is an achievable date. We will be determining our final rates and league schedule at that time. We intend to keep the community informed through social media and announcements on our website.

We are beyond excited to welcome you back and can't wait to see familiar faces, greet new members, and hear the sound of golf balls flying off the tees once again. Thank you for your patience, support, and for being an integral part of Pheasant Country Golf Course.

See attached flyer for more information on the renovations that took place. Please visit our updated website <https://www.pheasantcountrygolf.com/> for continued updates.

Thank you,

Board of Directors of Pheasant Country Golf Course & Kirby Robb, General Manager
